By order of the Board of Directors

sd/-

A.N.Khatua

Company Secretary

Membership No- ACS21776

Explanatory Statement Pursuant to section 102 of the Companies Act, 2013:

Item No. 4

The Board of Directors of the Company have appointed Smt. Neha Singhania (DIN- 06879112) as an Independent Director with effect from 14, February, 2017 pursuant to provisions of Section 161 of the Companies Act, 2013, who shall hold the office till the conclusion of the ensuing Annual General Meeting and proposed to appoint her for a period of consecutive five years as an Independent Director, subject to approval of the shareholders at the ensuing Annual General Meeting and whose office shall not be liable to determination by retirement of directors by rotation.

The Company has received from Smt. Neha Singhania (DIN- 06879112), a consent in writing to act as Director in form DIR -2 pursuant to Rule 8 of Companies (Appointment and Qualification of Directors) Rules, 2014 and intimation in Form DIR-8 in terms of Companies (Appointment and Qualification of Directors) Rules, 2014 to the effect that she is not disqualified under sub-section 2 of Section 164 of the Companies Act, 2013.

Further, the provisions of the Companies Act, 2013 with respect to appointment and tenure of Independent Directors have come into force with effect from April 1, 2014 which requires every Public Company fulfilling the prescribed criteria as laid down in Rule 4 of Companies (Appointment and Qualification of Directors) Rules, 2014 to appoint an Independent Director on its Board and the Independent Director shall not be included in the total number of directors for retirement by rotation. Accordingly, in terms of provisions of Sections 149, 150, 152, Schedule IV of the Companies Act, 2013 read with Companies (Appointment and Qualification of Directors) Rules, 2014, the Board of Directors of the Company had appointed (subject to the approval of the members at the ensuing General Meeting), Smt. Neha Singhania (DIN- 06879112) as an Independent Director of the Company within the meaning of Section 2(47) read with Section 149(6) of the Companies Act, 2013.

Smt. Neha Singhania (DIN- 06879112) is a Chartered Accountant having more than 8 years of experience in the areas of Finance, Accounts and Taxation. She has expertise in the field of Accounts, Taxation and Finance.

The Company has received a notice in writing from shareholder pursuant to Section 160 of the Act, proposing the candidature of Smt. Neha Singhania (DIN- 06879112) for the office of Independent Director, to be appointed as such under the provisions of Section 149 of the Act.

In the opinion of the Board, Smt. Neha Singhania (DIN- 06879112), who has been appointed as an Independent Director of the Company with effect from February 14 in the casual vacancy caused due to resignation of Sri S.N.Kabra (DIN-00556947), fulfils the conditions specified under Section 149(6) and Schedule IV of the Companies Act 2013 and is Independent of the management. Considering her vast experience, her presence on the Board will be of immense value to the Company.

A copy of the draft letter of appointment of Smt. Neha Singhania (DIN- 06879112) as an Independent Director setting out the terms and conditions shall be placed at the meeting for inspection by the members and shall also be available for inspection at the registered office of the Company during business hours.

Except Smt. Neha Singhania (DIN- 06879112) the appointee, none of the Directors, Key Managerial Personnel of the Company or their relatives are in any way, concerned or interested, financially or otherwise, in the proposed resolution.

The resolutions as set out in Item no. 4 of this Notice are accordingly recommended for your approval.

MANAGEMENT DISCUSSION & ANALYSIS REPORT:

GLOBAL ECONOMIC INSIGHT:

The world economy is gaining its stability and moving towards a path of encouraging growth, after recovering from a sustained period of sluggishness. Supported by buoyant financial markets, along with improvement in manufacturing and trade sectors, the global economy is expected to grow from 3.1% in 2016 to 3.5% in FY 17.

The performances of advanced economies had been promising in the second half of 2016. US based firms are anticipating a growth in their future demand. Euro zone witnessed an increased domestic demand after sustaining low growth and deflationary tendencies for some time because of geopolitical uncertainties.

If these trends continue, the world economy is expected to gain back its momentum in the medium term. However the growing trend towards protectionism could prove detrimental to global trade.

Today, however, the major players of the world economy are the developing countries and their emerging markets. These countries account for 75% of global growth; almost twice than the share they had two decades ago. Though the growth patterns in these economies are varied, there is a general sense of cautious optimism all over the world.

INDIAN ECONOMIC REVIEW:

In FY 17, India's GDP showed promising growth of 7.1%, which was aided by encouraging macroeconomic stability. The Country recently emerged as the sixth-largest manufacturing country in the world. While this growth is being driven by the emerging urban clusters, the rural economy is also showing improvements after almost five years. The overall environment will help India gain momentum.

FACTORS DRIVING GROWTH

UPLIFTING RURAL DEMAND:

The Indian Government is endeavoring to create world class infrastructure in the Country. It is planning to

SURAJ PRODUCTS LIMITED

invest Rs. 25 trillion in infrastructure over next three years; Rs. 8 trillion will be used to develop 27 industrial clusters, while Rs. 5 trillion will be used for building roads, railways and port connectivity.

CHANGING RURAL DEMAND:

Indian's rural sector is slowly undergoing a transformation. Consumption patterns of people are slowly changing, facilitated by improved networking. People in villages are seeking information proactively from multiple sources, which also include social media.

Policy reforms: 2016-17 remained significant for the country because several policy reforms implemented by the Government of India. The reforms include the creation of Monetary Policy Committee (MPC), Insolvency and Bankruptcy Code (IBC), the passage of the Goods and Services Tax (GST) Act, and finally, the demonetization of high denomination notes to move towards a less- cash formal economy.

The GST is being seen as a crucial reform, as it is anticipated to bring greater transparency in the country's indirect tax structure. On the other hand, despite causing some temporary hardship, demonetization is expected to yield long-term benefits for the country. It would bring formalization and digitization of the economy.

OUTLOOK:

India is expected to grow sustainably in days to come, owing to macro-economic stability, increase in domestic demand, a growing customer base comprising the youth and of course, government impetus towards reforms.

INDUSTRY STRUCTURE & DEVELOPMENT:

Sponge iron is an intermediate product as source of metalics for electric steel making. Other sources of metalics are either steel scrap or pig iron from Blast furnace.

The Sponge iron industry in India is divided into two types, those who are integrated with steel making and those in merchant sector. Suraj Products Limited belongs to the merchant sector.

In the Modern Economy Steel is a vital component to the development. The strength of steel industry shows the growth & development of all major industrial economies. Consumption of steel is a significant indicator of socio-economic development of the people of the country. Since incubation period for setting up integrated steel plants is large, the growth in demand of steel during the year was met generally by secondary steel sector or through import of steel. One of the sources of metallic's for secondary steel making sector is sponge iron and pig iron. Sponge iron industry, therefore, witnessed continued development for its product during the year. The trend is likely to continue in future.

COMPANY'S PERFORMANCE:

Gross Turnover	:	₹	669,372,587
Profit before Taxation	:	₹	9,361,177
Profit after Taxation	:	₹	10,021,274

OPPORTUNIES, THREATS & FUTURE OUTLOOK:

a) OPPORTUNITIES:

Growth in the steel demand has strong correlation with growth in GDP of Nation. The Indian economy was expected to grow at a growth rate of 7 % of GDP but unfortunately the same could not happen. As a result the steel demand is unlikely to grow at expected pace. The demand for sponge Iron in medium term shall be at healthy level due to closure of many sponge iron plants for want of iron ore. Increase in price at international market and unavailability of quality scrap provides huge opportunities for growth of Sponge Iron industry. Company is located in Orissa which has abundant stock of Iron ore and coal, the basic raw material for sponge iron industry & hence is ideally located to take advantage of the growing demand.

b) THREATS:

The cost of iron ore and coal constitute more than 80% of cost of production. Therefore the profitability of the Company depends on market price of these raw materials. The only way to reduce the cost of iron ore and coal is to have captive mines for these raw materials, which the company does not have. The emergence of large players may pose threat due to their economies of scale.

c) OUTLOOK:

The Government of India has initiated favorable measures for restricting imports. The initiative has provided necessary support for the steel industry in maintaining prices. The Government has also announced investments in infrastructure and housing projects, which will help in sustaining the steel demand.

RISK AND CONCERN:

Increasing trend in raw material prices and non-availability of good quality raw material is the area of concern for the Company. Company is keeping close watch on these and taking appropriate steps timely.

SEGMENT- WISE/ PRODUCT- WISE PERFORMANCE:

In accordance with the Accounting Standard 17 issued by the Companies (Accounting Standards), Rules, 2006 including any further amendments thereof, the Company has a single business segment having two products namely Sponge iron and Pig Iron.

During the year, the Company produced 32,580 MT of sponge iron compared to 24,814 MT in the previous year. The production of pig iron for the year was 9,137 MT as compared to last year's production of 13,689 MT. Sales of sponge iron during the year totaled to 33,256 MT in compared to 24,328 MT in the previous year. Pig iron sales during the year totaled to 9,269 MT in comparison to last year's sale of 13,445 MT. Company is continuously focusing on the quality consistency and better marketing strategies.

INTERNAL CONTROL SYSTEM & THEIR ADEQUACY:

The Members of
SURAJ PRODUCTS LIMITED

Reports on the Standalone Financial Statements

We have audited the accompanying Standalone Financial Statements of “**M/s SURAJ PRODUCTS LIMITED**” (the “Company”), which comprise of the Balance Sheet as at 31st March, 2017, the related Statement of Profit and Loss and the Cash Flow Statement for the year ended on that date annexed thereto, and a summary of significant accounting policies and other explanatory information which we have signed under reference to this report.

Management's responsibility for the Standalone Financial Statements.

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

ANNEXURE - B TO THE AUDITORS' REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Suraj Products Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for

external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Suraj Products Limited which has its manufacturing facility in Sundargarh, Odisha is engaged in production of sponge iron by direct reduction of iron ore, Pig iron & generation of power from waste heat.

2. SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation of Financial Statements:

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory Accounting Standards as prescribed under section 133 of the Companies Act 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by Securities Exchange Board of India (SEBI). Accounting Policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the economic policy hitherto in use.

B. Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and amounts of assets and liabilities and disclosure of contingent liabilities at the date of financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ.

C. Recognition of Income & Expenditure:

Sales are recognized, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Expenses are accounted for on accrual basis and provision is made for all expenses.

Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.

D. Fixed Assets & Depreciation:

Fixed Assets are stated at cost net of recoverable taxes and includes amount added on revaluation, less accumulated depreciation and impairment loss, if any. All costs, including financing costs till commencement of commercial production are capitalized.

Depreciation

- Depreciation has been provided on pro-rata basis on assets acquired after 01.04.2002 on a Written down Value Method and on assets acquired prior to 01.04.2002 on a straight Line Basis Method.
- Effective 1st April, 2014, the Company depreciates its fixed assets over the useful life in the manner prescribed in Schedule II of the Act, as against the earlier practice of depreciating at the rates prescribed in Schedule XIV of the Companies Act, 1956.
- Depreciation, useful lives and residual values are reviewed periodically, at each financial year end.
- The carrying amount of assets whose remaining useful life is nil after retaining the residual value of five percent where available has been adjusted against retained earnings.
- No depreciation is charged on the assets disposed off / discarded during the year.

Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes and includes amount added on revaluation, less accumulated depreciation and impairment loss, if any. All costs, including financing costs till commencement of commercial production are capitalized.

E. Inventories:

Inventories are valued at Cost or Net Realisable Value whichever is lower.

- In case of Raw Material, Stores and spares, consumables and trading goods, the cost includes duties and taxes (net of Cenvat/VAT Credit wherever applicable) and is arrived on weighted average cost basis.
- Cost of Finished goods includes the cost of raw material, cost of conversion and other manufacturing costs incurred in bringing the inventories to their present location and condition and excise duty.

F. Employees Benefits:

(i) Short Term

Short term employee benefits are recognized as an expense at the undiscounted amount expected to be paid over the period of services rendered by the employees to the company.

Defined-contribution plans

These are plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. The Company's payments to the defined-contribution plans are reported as expenses during the period in which the

employees perform the services that the payment covers.

(ii) **Leave Encashment**

Retirement and other employee benefits

- a) Earned leave which cannot be carried forward to future periods are “short term” benefit only if the employees are entitled to either encash or utilize the benefits during the period of twelve months following the end of the accounting period (when they became entitled to the leave). In other cases the benefit is required to be treated as “long term”. According to the policy of the company, no leave can be carried forward beyond the end of the financial year. Accordingly all leave granted has been accounted for in the current financial year.
- b) Contribution to Provident Fund, employee state insurance and other funds are determined under the relevant statute and charged to revenue Account.
- c) Present liability for future payment of gratuity is covered through Group Gratuity Scheme of Life Insurance Company of India and contribution thereon is charged to revenue account and the assets are funded by the LIC and the company has no obligation except to the extent of the premium determined by Life Insurance Corporation.

G. **Accounting For Taxation:**

Provision for current taxation is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred Tax is recognized subject to consideration of prudence on timing difference being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

H. **Borrowing Cost:**

Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/ development of the qualifying asset up to the date of capitalisation of such asset is added to the cost of the assets

I. **Impairment of Assets:**

The carrying values of assets/cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognized for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, except in case of revalued assets.

J. **Earning Per Share:**

Basic Earnings per Share is calculated by dividing the net profit or loss after tax for the year attributable to the shareholders by the weighted average number of equity shares outstanding during the year. For purpose of calculating diluted earning per share, the net profit or loss for the year and weighted number of shares outstanding during the year are adjusted for the effects of dilutive potential equity shares.

K. **Foreign Currency Transaction:**

Foreign Currency Transaction is recorded in the reporting currency, by applying to foreign currency amount the exchange rate at the transaction date. The exchange difference arising on revenue transactions are charged to the Statement of Profit and Loss. The exchange difference arising on the purchase of capital assets have been capitalized.

L. **Provisions and Contingent Liabilities:**

Provisions are recognized when the company has a legal and constructive obligation as a result of a past event, for which it is probable that a cash outflow will be required and a reliable estimate can be made of the amount of obligation.

Contingent Liabilities are disclosed when the company has a possible obligation or a present obligation and it is probable that a cash outflow will not be required to settle the obligation.

M. **Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.
